

Lite Tops, a division off Cutting Edge Industries, is an industry leader in high quality American made products. In addition to our lighting fixture making capabilities, we custom laser cut many materials to create an unlimited variety of products for the hospitality industry. Our state-of-the-art laser cutting technology is designed to handle a wide array of cutting tasks over many unique applications, which enables us to provide skilled laser cutting services to many different industries.

Some of Our High Performance Laser Cutting Capabilities:

- Signage • Wall Décor & Accessories
- Lighting Fixtures • Souvenirs & Awards
- Wall Panels & Light Boxes • Industrial Parts

If you can imagine it, we can make it!
